

# PARKS & RECREATION FACILITIES

After you've gone through this guide, and decided which adventures you want to take part in, use this map to locate the beautiful waterfront trails and all of the incredible parks our community has to offer.

Whether you are starting your own journey with our *Hometown Adventure Guide*, pin pointing the location of one of the new and exciting outdoor community classes, or simply wanting to do a little exploring of Eureka on your own to discover the playgrounds, ball fields and trails; keep this trusty map handy.

In addition to the new Explore Eureka Programs, you will find a few other treasures, such as the group picnic areas at Carson and Sequoia Park, which are perfect for large barbecues and reunions. Discover a game of tennis at one of the tennis courts located at Hammond Park and Highland Park, or jump into a softball game at the ball fields located at Kennedy, Hartman and Cooper Gulch, perfect for company and family games.

See page 22 for information on expanding your adventure by renting a City Park.
